

Have You Had a Left Brain Stroke? Research Participants are Needed!

WHAT? A study to find out if assessment and treatment procedures for spatial function can be adapted for people with left brain stroke, aphasia and memory impairment.

WHERE? At the Atlanta VA Medical Center

We are looking for participants who:

- ◆ Have aphasia and memory impairment caused by left brain stroke
- ◆ Are 18-89 years old
- ◆ Meet other eligibility criteria for the study
