

Atlanta VA Rehab R&D

# CVNR PARTICIPANT REGISTRY (CPR)

The purpose of the CPR is to connect researchers at the Atlanta VA Rehab R&D Center for Visual and Neurocognitive Rehabilitation (CVNR) with people interested in participating in the research we do.

It is a convenient way for those interested in research participation to hear about studies for which they might qualify.

It is a great way to help fellow Veterans and help future generations.

If you agree to participate, we will collect your
